Civil No. 6:08-cv-03760-GRA

DECLARATION OF PHYLLIS BINGHAM

1. I was employed by the Internal Revenue Service for 34 years. I retired from the IRS in January 2009. In my last assignment, I was a Revenue Agent with a post of duty in Greenville, South Carolina. Except where noted to the contrary, I have personal knowledge of the matters set forth in this declaration and, if called upon to testify to such matters, could do so competently.

2. During my employment with the IRS, I was assigned to investigate John Howard Alexander, Heather Ferguson, the Aware Group, the Freedom Trust Group and all other related entities to determine in part whether the IRS should assess penalties against Alexander and/or Ferguson under 26 U.S.C. § 6700.

3. During the course of my investigation, in or about July or August of 2005, Heather Ferguson voluntarily provided to me a CD containing customer information for the Aware Group and the Freedom Trust Group.

4. The CD provided to me by Ferguson had a database of contact information consisting of names and addresses dating back to the early 1990s of people who had

inquired about the Aware Group and/or the Freedom Trust Group, some of whom then purchased membership into the Aware Group and/or bought materials from the Aware Group or the Freedom Trust Group. The database also included contacts for people who were not paid subscribers of the Aware Group or who had not bought materials from the Freedom Trust Group.

5. Ferguson also voluntarily created a second CD for me that consisted of only the members of the Aware Group or of people who had bought materials from the Freedom Trust Group and/or Aware Group. I took the information on the CDs provided to me by Ferguson and with the aid of our participant list coordinator at the IRS, I then separated customers by the year that they joined the Aware Group or had purchased materials from the Freedom Trust Group. Based on the information provided to the IRS on the database, I created a spreadsheet of customers who purchased materials from John Howard Alexander between 2000 and 2004.

6. Attached to this Declaration as Exhibit 1 is a true and correct copy of the spreadsheet referenced in paragraph 5. The spreadsheet lists the names and mailing addresses of Alexander's customers on the left. The columns on the right side list what year the particular customer purchased materials. The spreadsheet accurately reflects the information from the database provided to the IRS by Ferguson.

7. Based on the customer and purchase information provided to me by Ferguson, I determined that the Aware Group and the Freedom Trust Group made the following number of transactions between 2000 and 2004:

<u>Year</u>	<u>Number of Transactions</u>
2000	123
2001	320
2002	421
2003	245
2004	43

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct.

Executed this 21st day of September, 2009.

Phyllis Bingham
